## PREFACE

---

The volumes published this year begin a new epoch in the history of our Lineage Books. The Editor in Chief, Mrs. Sarah Hall Johnston, who was identified with the work of preparing the first forty-six volumes, retired in the spring of 1918. Since that time various changes have been made with a view to facilitating the work and issuing more volumes each year. With the constant growth of the Society, the work correspondingly increases and it is necessary to adopt methods that conduce to the more rapid production of volumes.

ELLEN DUDLEY CLARKE.
